

model-type marginal effects

ensemble

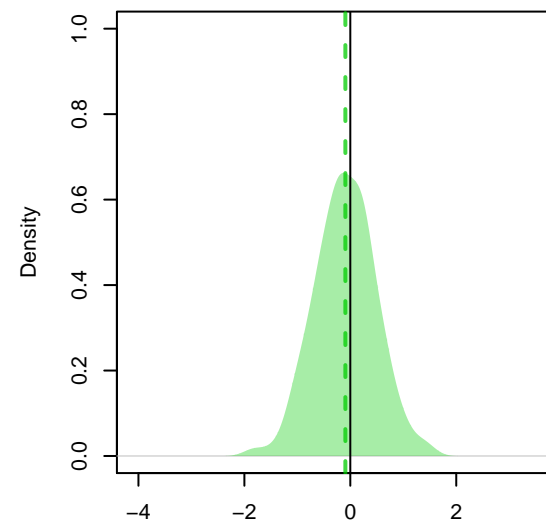

log absolute error per 10k pop.

non.parametric-compartmental

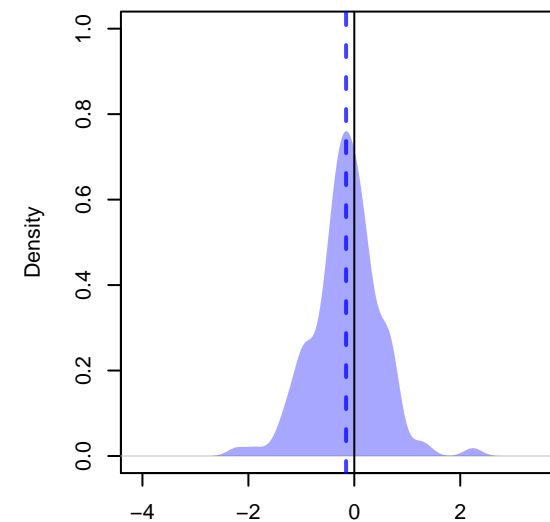

log absolute error per 10k pop.

non.parametric-other

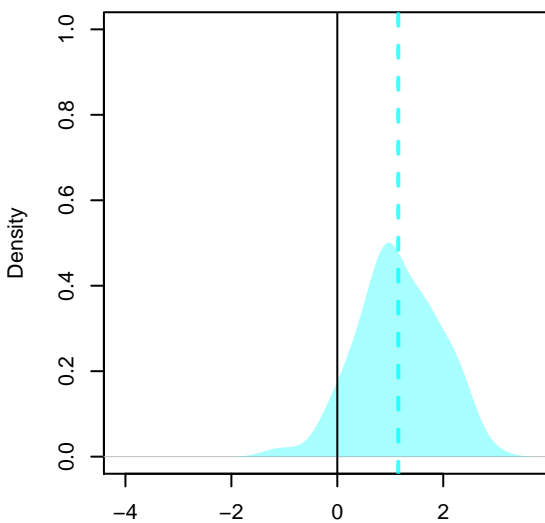

log absolute error per 10k pop.

non.parametric-time.series

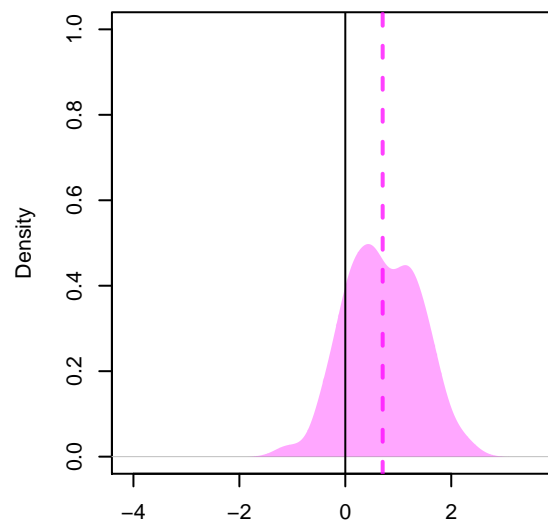

log absolute error per 10k pop.

parametric-agent.based.model

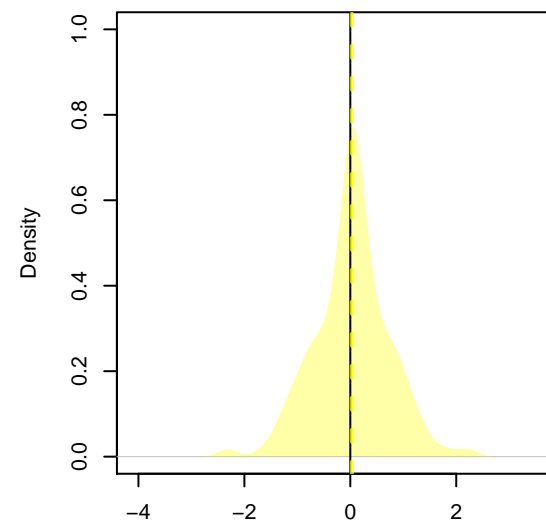

log absolute error per 10k pop.

parametric-compartmental

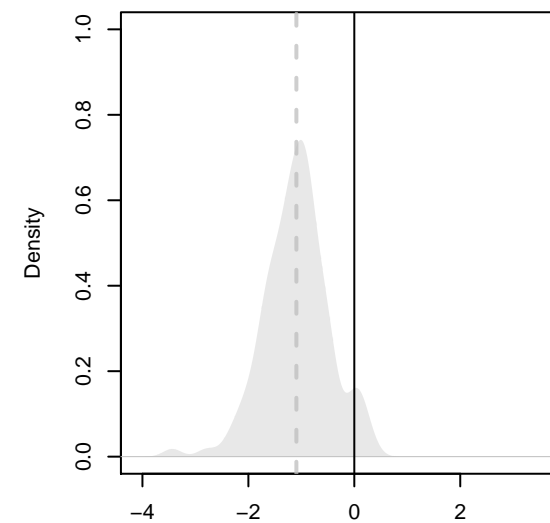

log absolute error per 10k pop.

parametric-other

log absolute error per 10k pop.

parametric-time.series

log absolute error per 10k pop.
